MMA#: 250227GL006

Make: CZ USA

Model: 550 Medium

Serial Number: B777555

Year of Manufacture: 2015 (“15” Date Code)

Caliber: 9.3x62mm Mauser

Action Type: Bolt Action Rifle w/ Internal Hinged Floorplate Magazine & Single Set Trigger

Barrel Length: 20.5”

Sights / Optics: The front sight is a hooded beaded blade atop a serrated ramped riser that is screwed to the barrel. The rear sight is a drift adjustable U-notch leaf dovetailed atop an elevation adjustable base that is fixed to the barrel. The top of the receiver is grooved for mounting an optic (not included).

Stock Configuration & Condition: The American-pattern Aramid composite stock has a pistol grip, straight comb, cheek piece, sling stud front and rear, and a Decelerator black rubber buttpad. There is no significant wear or damage. There are no chips or cracks. The LOP measures 14 1/8” from the front of the trigger to the back of the pad. The pad is soft and shows some scattered light rubs. The stock rates in about Excellent overall condition.

Type of Finish: Blue

Finish Originality: Original

Bore Condition: The bore is bright and the rifling is sharp. There is no erosion in the bore. In this writer’s opinion, the bore rates 10 out of 10.

Overall Condition: This rifle retains about 98% of its metal finish. There is faint thinning on the leading edges and a few faint marks on the trigger guard. There are some faint marks on the bolt knob. The receiver shows an ever-so-slight plum hue. The bolt was intentionally left bright. The screw heads are sharp. The markings are crisp. Overall, this rifle rates in about Fine-Excellent condition.

Mechanics: The action functions correctly. The trigger is light and crisp when set. We did not fire this rifle. As with all used firearms, a thorough cleaning may be necessary to meet your maintenance requirements.

Box, Paperwork & Accessories: None.

Our Assessment: CZ is known for its high-quality, reliable sporting and hunting rifle. This Model 550 Medium is a testament to that with a feather light set trigger that breaks clean, crisp and a bright bore, and an American-pattern Aramid composite stock. The rifle is chambered for 9.3x62 Mauser. The 9.3×62mm is considered ideal for hunting the larger and tougher African game species, such as lions, leopards, gemsboks, elands, and wildebeests. Most hunters consider it a viable all-around cartridge comparable to .338 Winchester Magnum, 9.3×64mm Brenneke, .35 Whelen and .375 H&H Magnum. [citation needed] The 9.3×62mm has taken cleanly every dangerous game species in Africa. This rifle is beautiful, in very clean condition, retaining about 98% original finish. Please see our photos and good luck!

-Greenfield

CA Legal or CA Private Party Transferable (THIS SECTION DOES NOT APPLY TO OUT-OF-STATE RESIDENTS): This rifle CAN be transferred in California but CANNOT be transferred as a PPT at our Simi Valley location. All cartridge firearms must be transferred through your local dealer OR at our Simi Valley location. Out-of-state residents can disregard this section - your local laws apply.
