Trophy fees are payable in full before departure from South Africa. Credit cards are subject to a 3½% administration fee. Checks are **not accepted** as they can take 45-60 days to clear. Cash is not recommended for security reasons. Projected trophy fees may be paid in escrow to Global Sporting Safaris prior to departure. There is an \$80 wire transfer fee associated with this service. Any unused amounts will be returned to client by check.

Fluctuation of the South African Rand against the US Dollar may affect pricing and are subject to change without notice. Some animals may be subject to availability or location. Prices above are for hunting safaris taking place in 2016 and 2017. Safaris in 2018 may see a slight increase in price. Any animal shot, wounded (blood found) and lost are considered as harvested and subject to the trophy fees above. We will do our best to recover animals but there is no guarantee. Daily rate includes Professional Hunter/Guide, food, lodging, local beer, soft drinks, purified water, trophy preparation and transportation to/from O.R. Tambo Airport in Johannesburg and within the hunting areas. With the exception of Cape buffalo, Dangerous Game daily rates are higher and quoted upon request. Hard liquor and any bar tabs generated will be added to your trophy fee bill at the end of the trip.

Hunting Safaris are also available in the following countries; Tanzania, Zambia, Zimbabwe, Namibia, Mauritius, Botswana, Namibia, Ethiopia, Uganda and Benin. Please inquire for pricing.

Bow and Crossbow only areas are available at no additional cost. Please inquire. Pricing is the same for rifle or bow hunters. Moving to a new hunting area requires a "move fee" to cover cost of diesel and transportation and can be quoted upon request.
