Description:

This rifle was originally built in 2014 and subsequently sent to American Hunting Rifles, one of this nation's finest firms, and upgraded to this configuration. The rifle has a blued steel barrel featuring a red fiber optic front sight, two leaf (one standing, one folding) island rear sight, front sling swivel, and "AHR '15" and "404 JEFFERY" engraved at the left and right of the chamber respectively. The barrel is fitted to the blued left handed action which has 2014 dated proof marks and is topped with a Swarovski Z6i 1-6x24EE scope. The rifle is mounted in a beautifully figured and multi-point checkered pistol grip stock with contrasting forend tip, blued steel grip cap, rear sling swivel, and a Decelerator recoil pad. Includes a padded leather sling.

Rating Definition:

Very fine as built by American Hunting Rifles, retaining 99% blue finish with minor handling evidence and sharp checkering on the stock and forend. Mechanically excellent. The scope optics are sharp.
