Description

Description:

just in from Europe August Schuler Suhl double rifle in 45-70. The rifle is in 99% condition with mirror bores and as tight as new. Rare find as very few of these rifles were chambered in 45-70 government.

At almost 12 pounds with “shoe lumps” chrome moly barrels and Greener bolt locks this rifle was made to withstand heavy loads. We test fired it

with Buffalo Bore 350 gr. heavy loads and the gun grouped under 2-1/2” at 60 yards with very little recoil. Any question or to purchase please call

or text 512-595-1248

NOTE: With this collection we also imported a Best grade rare Simson and Co .577 Nitro Express 3” the rifle is currently bein regulated in our Arizona shop and should be on our page in about two weeks.
