NSN Made circa 1950's - 70's chambered in 7x57 on a German Mauser action with a 23" APEX Match Grade barrel. Custom stock made of nicely figured walnut with an ebony forend tip and oil finish featuring a Fisher style grip cap, checkered steel butt plate with widows peak and a custom bottom metal with an inside the guard release. Has a Lyman All American 4x scope on a Leupold mount and has had a custom bolt handle added to clear the scope. This rifle was made by F. William (Bill) Hause who was a student of P.O. Ackley at Trinidad College and hand picked to work for him where he did so from 1950 through 1957. It is in very good condition with some light handling marks. CONSIGNMENT
