*Description*

Boss & Co. - London Sidelock Ejector Special Order, SxS, 12ga. 27" Barrels Choked IC/M. Modern gun made in 1960, Special order lightweight, round body, assisted opening, best quality! 27" Barrels choked IC/M, straight grip, double trigger, automatic ejector, beautifully figured Turkish walnut, vacant gold oval, splinter forend, originally number 1 of a pair, 100% case color, on the highest quality miniature rose and scroll engraving to the highest level, wood is 99% with special order, square top checkering, leather covered pad.. just a virtually new gun! Probably has never been fired, in it's original Brady leather case, with Boss label.Virtually a new gun at a small fraction of the replacement cost! Virtually a new gun! Just received in from the maker after they went through the whole gun to make it as new and has probably never been fired since!
