Custom Dies

Manufactured to **customer's specifications.**

Hornady® Manufacturing offers the advantage of making custom dies to your specifications. These custom manufactured dies are available in either our Custom Grade™ or Match Grade™ die configuration, and can be made to load any cartridge.

Our custom-manufactured dies are made on precision CNC machines that produce extremely tight tolerances. They are designed from your chamber reamer drawing and/or three fired or parent cases, assuring a die that is a true match to your chamber.

Each custom-manufactured die is hand crafted and polished for an unmatched finish. Elliptical expanders, shell holders, shell plates, trimmer pilots, bullet seating stems and alignment sleeves can be made to fit any bullet of any profile, lead or jacketed. These precision dies give the handloader more control over the loading process. Increase your handled ammunition's accuracy on the bench or in the field with Hornady custom manufactured dies. Call 800-338-3220.

Product Line

2-DIE SET

| 2.60" OR LESS | 2.601" TO 2.999" | 3.00" OR MORE |
|--------------------------------------|--------------------------------------|--------------------------------------|
| FULL-LENGTH DIE SET: \$198.00 | FULL-LENGTH DIE SET: \$220.00 | FULL-LENGTH DIE SET: \$380.00 |
| NECK SIZE DIE SET: \$198.00 | NECK SIZE DIE SET: \$220.00 | NECK SIZE DIE SET: \$380.00 |

2-DIE SET MATCH GRADE

| 2.60" OR LESS | 2.601" TO 2.999" | 3.00" OR MORE |
|--------------------------------------|--------------------------------------|----------------------------------|
| FULL-LENGTH DIE SET: \$242.00 | FULL-LENGTH DIE SET: \$264.00 | FULL-LENGTH DIE SET: CALL |
| NECK SIZE DIE SET: \$242.00 | NECK SIZE DIE SET: \$264.00 | NECK SIZE DIE SET: CALL |
