Action Type: Bolt Action Rifle w/ Internal Hinged Floorplate Magazine & Single Set Trigger

Sights / Optics: The front sight is a hooded beaded blade atop a serrated ramped riser that is screwed to the barrel. The rear sight is a drift adjustable U-notch leaf dovetailed atop an elevation adjustable base that is fixed to the barrel. The top of the receiver is grooved for mounting an optic (not included).

Bore Condition: The bore is bright and the rifling is sharp. There is no erosion in the bore. In this writer's opinion, the bore rates 10 out of 10.

Overall Condition: This rifle retains about 98% of its metal finish. There is faint thinning on the leading edges and a few faint marks on the trigger guard. There are some faint marks on the bolt knob. The receiver shows an ever-so-slight plum hue. The bolt was intentionally left bright. The screw heads are sharp. The markings are crisp. Overall, this rifle rates in about Fine-Excellent condition.

Mechanics: The action functions correctly. The trigger is light and crisp when set. We did not fire this rifle. As with all used firearms, a thorough cleaning may be necessary to meet your maintenance requirements.

Box, Paperwork & Accessories: None.

Our Assessment: CZ is known for its high-quality, reliable sporting and hunting rifle. This Model 550 Medium is a testament to that with a feather light set trigger that breaks clean, crisp and a bright bore, and an American-pattern Aramid composite stock. The rifle is chambered for 9.3x62 Mauser. The 9.3×62mm is considered ideal for hunting the larger and tougher African game species, such as lions, leopards, gemsboks, elands, and wildebeests. Most hunters consider it a viable all-around cartridge comparable to .338 Winchester Magnum, 9.3×64mm Brenneke, .35 Whelen and .375 H&H Magnum. [citation needed] The 9.3×62mm has taken cleanly every dangerous game species in Africa. This rifle is beautiful, in very clean condition, retaining about 98% original finish. Please see our photos and good luck!
