### Product Information

Case of 5000

Gold Medal® primers are manufactured to exacting tolerances, providing the same high-quality components and optimum ignition that make Federal Premium® Gold Medal cartridges the choice of match shooters everywhere.

Federal primers undergo rigid quality control for reliable, uniform ignition. They are non-corrosive and feature a non-mercuric priming mixture to prevent barrel rusting.

- Industry-leading precision and consistency
- Reliable ignition
- Built to extremely tight tolerances
