ORDER LEAD-TIMES

Each Rogue product is carefully crafted by skilled human hands in Hazyview, South Africa. None of our products are mass produced or made in China. For this reason, we don't always have an item ready to be packed and shipped on the same day. But mostly we do, and that's great. In the instance where your order needs to be made up we ask you, our valued customer, to allow us a little extra lead-time on delivery.

If you have any queries, don't hesitate to contact us!
