– American Reloading expressly disclaim any and all warranties with respect to any and all products sold or distributed by them, the safety or suitability thereof, or the results obtained including, without limitation, any implied warranty of merchantability or fitness for a particular purpose and/or any other warranty.

– Buyers and users assume all risk, responsibility and liability whatsoever for any and all injuries (including death), losses or damages to persons or property (including consequential damages), arising from the use of any product or data, whether or not occasioned by seller's negligence or based on strict liability or principles of indemnity or contribution.

– Keep out of reach of children

– Store in a cool, dark and dry place

– Do not smoke where stored and while reloading

– Keep away from electrical machinery that could produce sparks

– Keep away from other combustible materials or flammable liquids

– Keep powder away from heat, open flame, and sparks. Avoid impact and friction.

– Always wear ear and eye protection when handling, loading, and firing firearms

– Ballistic data varies considerably due to many factors, including components used, reloading technique, type of firearm used and safety precautions utilized by the individual.

– Since American Reloading has no control over variations in components, reloading tools, or reloading procedures, the individual is solely responsible for any changes in data
