## Description

Introducing the Lee Reloading Stand; Perfect for the reloader with limited working space or an overwhelmed workbench. The sturdy powder coated steel stand places your press at the perfect counter stool or standing height. Three-leg design assures absolute stability regardless of the floor condition. Rubber tipped legs suitable for any surface even carpeting. The thick steel top is fitted with the patented, quick change Lee Bench Plate System with pre-drilled steel base block to fit all Lee metallic presses. There’s more, the stand includes a sturdy steel shelf with two bench plate receivers that will neatly and securely store your extra presses or mountable accessories. Included with the stand is one storage bin for component or tool storage, which clips on to the steel bin bracket provided with the stand. Each leg has eight mounting holes that allow you to accessorize your stand with a multitude of bins, shelves or accessory racks. Includes drawing to customize and make your own extended work surface.
