About Us: Whitworth Arms is an e-commerce business with a click-to-buy self-help business model, URL same as the company name. Check current inventory and prices there. GI prices may not be current. Automation allows lower but necessarily firm prices. Pls no phone orders and no requests for more pics. Shipping and sales tax (TX only) are automatically added on domestic orders (export quoted manually). We seldom take trades but do accept virtual consignments at 5% of net.

Most Interesting W Collath 2 Barrel Ensemble

Description:
In 30 years I have not encountered a more interesting gun! Here we have a double rifle drilling (8x57 and 16ga with two leaf sight) with a second set of "normal" drilling barrels double 16ga/ 8x57 under with a single automatic leaf, all bores pristine, all bbbs steel nitro proofed for 2 5/8" and 195 grain steel jacketed bullet bore 172.28 (.318" I believe). The mechanism is unique with the hinge all the way at the nose of the forend and obturating discs on the breech face. The barrels slide forward about 1/2" and then hinge open. Butterfly safety of course, barrel selector alongside horn trigger bow. Cartridge trap. All in high original condition except for some worm cavities in the grip cap .. buttplate has none and is very nicely double-edged. The gun is fully engraved with Germanic relief game scenes, handsomely cut, as is the checkering. "Grampa was a gun collector and this was his favorite gun" ... I can see why! 6.5lb as shotgun drilling, 14 1/4" pull 1 1/2" and 2 1/2" drops, 1/

Price: \$5,500.00
