#### NOREEN FIREARMS ULR 50BMG MINIMALIST RIFLE

Action: Bolt Action - Single Shot • Finish: Black • Barrel Length: 16" with Noreen Design Brake 1.25-12 Thread - 1:15" Twist Rate • Sights: None - Optic Rail Installed • Stock: Aluminum Minimalist • Weight: 16.5 lbs.

This single shot bolt action rifle was designed with simplicity in mind. The single shot shell holder bolt allows for easy and quick reload, and maintains the simplistic nature of the rifle. The ULR was designed to do one thing; fire large caliber rounds further than most people are capable of. The Noreen Design muzzle brake help to drastically relieve shooter stress, and easily make this rifle an all-day shooter at the range. A basic billet aluminum stock attaches via a picatinny rail on the back of the bedding block, a fully adjustable stock is now available at an addition cost.

Timney Sportsman Triggers feature a lightweight alloy housing and hardened steel working surfaces. They are lightweight, rugged and durable. The trigger pull is adjustable from 2 to 4 lbs and is adjustable for Sear Engagement, Overtravel and Pull weight.

Since it was founded in 1946, Timney Triggers has built a reputation based on the quality of its products. Because of the precision machining and workmanship that goes into each Timney product they are The World's Finest Triggers.™ Each and every Timney Trigger is individually tested and calibrated by hand in the action it was designed for before it's delivered to the customer's door.
