No swivel stud on your shotgun forearm? Want to mount a sling on your lever action rifle's magazine tube? Our Barrel Band Swivel Sets are your answer. Our one and two-piece barrel band sets fit almost any firearm from a .22 rimfire magazine tube of .420" diameter up to shotgun barrel with a .900" diameter.

GTSW41 & GTSW42 are relieved to fit under magazine tube upon install.

**NOTE:** Choose the correct barrel diameter in the drop down menu above to ensure the proper fit. Always verify the diameter of your mounting surface prior to ordering.
