ABOUT PRECISION FIREARMS

- Precision Firearms is a Premier Manufacturer of Extremely Accurate AR15 and AR308 Rifles and Upper Assemblies.
- We have built Tens of Thousands of Match Grade Rifles, Uppers, Lower, and Hundred of Thousands of Rounds of Ammunition for discriminating marksmen all over the country.
- Each rifle or upper is individually assembled using the highest quality components. Many of the components are machined in-house with our own CNC Machines.
- Here at Precision Firearms, we believe in Quality Without Exception, Service that Exceeds Expectation, and Integrity as a Way of Life!
- Everyone at Precision Firearms targets to exceed your expectations with superior Customer Service, Quality of Product, and After Sale Support .
