CZ-Brno "Stopper" double rifle. A extremely rare and discontinued BRNO offering made for the safari, the Stopper features 23-1/2" barrels with a 14-3/8" length of pull. This particular example is in .416 Rigby, a caliber never cataloged by CZ and available by special order only. Receiver features elephant and rhino engravings done by Rene Ondra, CZ's in-house master engraver. An included short section of picatinny rail is included for mounting a red dot sight - when facing down a charging Cape Buffalo, fast target acquisition is a must! Condition is an excellent like-new. Includes the original CZ-BRNO branded gun box. Barrels are pre-regulated to shoot in line with Hornady factory .416 loadings.
