## **PRICES FOR RAW DISPATCH FOR THE HUNTING SEASON 2017**

Please find below the new structuring of prices for the dip and pack of raw trophies. You will notice that certain skulls have been separately listed. This was done due to the extensive work and efforts applied to get these skulls clean and fat free.

Small Skulls	Dik Dik, Duiker, Steenbuck	Euro 50-00
	Springbuck, Blesbuck	Euro 70-00
Large Skulls	Kudu, Oryx, Impala	Euro 80-00
	Eland, Wildebeest, Hartebeest	Euro 90-00
	Warthog Skulls	Euro 130-00
	Baboon Skulls	Euro 90-00
Cat Skulls (large)	Leopard, Hyena	Euro 140-00
Cat Skulls (small)	Caracal, Jackal	Euro 80-00
Capes	Small	Euro 40-00
	Large	Euro 50-00
Lifesize Skins	All animals	Euro 80-00
Hides	All animals	Euro 50-00
Backskins	All animals	Euro 40-00

Packing is 20% on total order value or a minimum of Euro 80-00 per client. The high costs of the packing material arrive from the packing material we need to use, stipulated by the import regulations of the country of destination.

Clients who hunt with an outfitter who uses our trophy collection service, might find a collection fee on their invoices. This fee is necessitated due to the increasing petrol costs in Namibia and the long distance to be travelled to collect your trophies. We are however trying to keep the costs at a minimal.

Please do not hesitate to contact us should you have any questions, relating to the dip and pack at Reiser Taxidermy.

Yours truly

Reiser Taxidermy
