### The Dandy 2-Speed Electric Powder Trickler

is designed to enhance your ammo reloading experience. The reloader has more options, with regards to placement of the ammunition reloading equipment on the bench. The many different features of the Dandy Powder Trickler makes ammunition reloading more enjoyable and not just another tedious chore. Customers have stated, "It's like playing a video game."

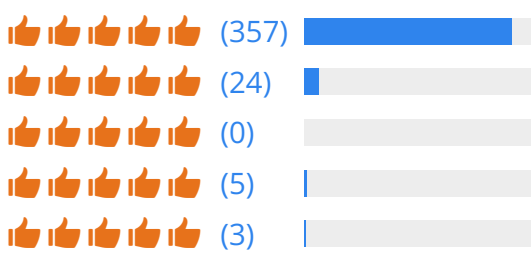

1. The Dandy Powder Trickler helps the reloader produce an accurate powder charge, producing an accurate round of ammunition.
2. The Dandy Powder Trickler gives the reloader more options in

Fantastic!

Very clever improvement over the age old hand trickling method. As advertised precise one grain at a time is simple and easy to obtain. Setup is simple and quick. I very seldom do reviews but the Dandy Trickler is so efficient and effective I felt compelled to do so.....HIGHLY RECOMMEND! You will not be disappointed.
