Description

Schmidt & Bender is synonymous with quality and precision. This reputation has made Schmidt & Bender one of the leading suppliers of precision scopes in the world. As early as the company's start in 1957, Schmidt & Bender has engaged in the development and production of riflescopes that always meet the ever increasing requirements of civilians and law enforcement alike. The [5-25x56 PM II](#) line is no different.

The **5-25x56 PM II** riflescope from [Schmidt & Bender](#) is known for its versatility with a large magnification range. If long distance is what you're after, then you'll enjoy the ability to see over 6500 feet with the 5-25x56 PM II. There's nothing quite like the 5-25x56 PM II from Schmidt & Bender.

The Schmidt & Bender 5-25x56 PM II is one of the most universal scopes that will meet the most demanding needs of shooters. While the scope comes with plenty of features, these [accessories](#) can be a valuable addition to your scope. For what ever your scope may need, [EuroOptic](#) has you covered.
