## Description

The **5-25x56mm PM II Riflelescope** delivers the optical performance and mechanical reliability that Schmidt Bender optics are known for. This versatile riflelescope is highly suited for long-range applications with its sizable magnification range, and has become an increasingly popular choice among military and police units as well as the most demanding competition shooters.

### NEW features for 2022:

**New Ocular Design:** The magnification ring is precision machined from solid aluminum, featuring deep grooves for a better grip as well as the installation of Schmidt Bender’s Throw Lever. The improved ocular design also features a ribbed structure on the diopter adjustment, allowing Schmidt Bender’s military grade polarization filter and tactical Tenebraex lens covers to be attached.

**New P5FL Reticle:** The new P5FL resembles the popular pattern of Schmidt Bender’s well-known P4FL reticle which was initially designed for military snipers, and has been well-proven around the globe. Reflecting the ongoing technical evolution, the P5FL represents a slight upgrade without forcing the operator to get used to a completely new reticle design. It is also perfect for competition shooters and modern hunters alike who prefer a clean reticle design, which is reduced to the most important essentials without distracting features. Those who are already enjoying the P4FL reticle will find confidence in the new P5FL reticle.

## Specifications

Item Condition	New
Scope Weight:	37.57 oz
Scope Length:	16.54 inch
Magnification Range:	5-25x
Scope Objective Diameter:	56mm
Scope Tube Size / Mount:	34mm
Turret Adjustment (Click Value):	1cm/100m
Elevation Turret Details:	27 MRAD DT II+ MTC LT
Windage Turret Details:	± 6 MRAD ST II ZC LT
Parallax Adjustment:	10m-∞
Reticle Position:	1st Focal Plane
Reticle Details:	P5FL
Field of View:	5.3–1.5m/100m
Exit Pupil:	11.0–2.3mm
Eye Relief:	90mm
Twilight Factor:	15.8 - 31.6
Illuminated Reticle:	Yes
Scope Finish:	Matte Black
Scope Turret Rotation:	Counter Clockwise (CCW)
Product Type	Riflescopes
UPC	191992065600
MPN	689-911-622-L7-I5
