Swarovski CTC Spotting Scope 30 x 75

Swarovski Optik

£1,070.00

CTC 30x75 with fixed eyepiece 30x W

Simply a classic

This classic extendable spotting scope comes into its own on rugged terrain and during long periods of use, when lightweight design and compact dimensions are a must. An important piece of kit for beginners due to its fixed magnification and simple extension mechanism.

Extendable spotting scopes from SWAROVSKI OPTIK have been performing in harsh conditions for decades. They are simple to use, lightweight, and can be easily packed away due to their manageable dimensions.
