Item Description

Please read the [Item Characteristics](#) for important listing details. You must contact your FFL transfer dealer and have them send a copy of their license with your name, username, the item and order numbers to the seller.

This 26-inch barrel has never been mounted in a frame and is new old stock. There are no defects of any kind. This is a very rare barrel and is your opportunity to include an African-game caliber to your TCR battery. The muzzle tamer is said to reduce recoil by about 30%. You have a 3-day return privilege, less shipping. I can only accept a U.S. Postal Money Order for immediate shipment. I will also accept personal checks with 10 business days of clearance. No other form of payment is acceptable. \$20 for shipping west of the Mississippi River. \$10 additional east of said river. No out of country sales. Check my feedback for customer comments. I always describe and take pictures of any defects. In this case, there are none. DOES NOT INCLUDE STATE SALES TAX, IF ANY REQUIRED IN PURCHASERS STATE. THIS WILL NOT fit the Encore, G2 or Contender frames. Recently, I have been experiencing a large number of non-paying winners. When this happens, my only recourse for recovering my Gunbroker listing fees is to go through the formal Gunbroker no-pay procedure which requires "appropriate feedback" for the non-paying bidder. If you can not afford this item, or your mother or girlfriend do not want you to purchase it, kindly pass without bidding. Thanks for viewing. .
