Experience flight after flight of Yellow-billed Ducks and Red- Billed Teal coming in to roosting ponds in the early afternoon. Goose shooting is done in pit and lay in blinds on reaped corn fields with more than 100 decoys. The Spurwing Goose is one of the biggest in the world weighing close to 20 pounds. Guinea fowl and Francolin are driven over hunters with more than 20 chanting Zulu's in a similar way to the bull horn formation tactic invented and used in battle by the infamous Shaka Zulu himself. Experience a victory dance by Zulu beaters after your successful hunt.
