EXTRACTORS

All Stoeger's Uplander side-by-side models come with extractors.

AUTOMATIC SAFETY

Uplanders feature a tang-mounted safety, which is automatically engaged when the gun is broken open.

TRIGGER

Depending on the model, Uplander's come with either a single trigger or sturdy traditional double triggers for optimum reliability.

RECEIVER

The receiver is precision-machined to exacting tolerances to ensure the Uplander will hold up year-after-year.
