24TH September 2012,

Mr Arnold Payne
IMPALA AFRICAN SAFARIS

It has been brought to our attention at Parks and Wildlife Management Authority of Zimbabwe that malicious and slanderous statements directed at yourself, Impala African Safaris and Bubiana Safaris have emerged.

Parks and Wildlife Management Authority is the mandated authority over all wildlife and wildlife estates within Zimbabwe. We wish to make it clear that our authority has full knowledge of your hunting activities carried out countrywide.

Your licensed hunting operation and activities thereof have been conducted lawfully and contributed immensely towards conservation in Zimbabwe.

Parks and Wildlife Authority have and will continue to stand behind your efforts to place Zimbabwe at the very top of the African hunting map.

We endorse and thank you for your passion for Zimbabwe and its natural resources.

Yours truly,

G. PANGETI
ZIMBABWE PARKS & WILDLIFE BOARD CHAIRMAN
